Transfer from SC Schools

Transfer from South Carolina Colleges and Universities

The South Carolina Transfer Articulation Agreement identifies 86 courses guaranteed to transfer among and between public colleges and universities within South Carolina. Lists detailing how these 86 courses transfer to the College of Charleston are available through the links below. Please note that course equivalents are subject to change at any time, due to curriculum changes at College of Charleston or the transferring institutions, and do not replace an official evaluation of transfer credit by the Transfer Resource Center.

Students admitted or readmitted prior to Fall 2015

- SC Technical College Transferrable Courses Listed Alphabetically (PDF)
- SC Technical College Transferrable Courses Grouped by General Education Requirements (PDF)

Students admitted or readmitted Fall 2015 or later

- SC Technical College Transferrable Courses Listed Alphabetically (PDF)
- SC Technical College Transferrable Courses Grouped by General Education Requirements (PDF)

Unofficial information about transfer of other courses to the College of Charleston from South Carolina colleges/universities is available through the Transfer Equivalency Database, which contains a history of how courses from United States institutions have transferred to the College of Charleston.

Additional information about transfer of other courses to the College of Charleston from South Carolina colleges/universities is available online through SC TRAC. Please note that the information on SC TRAC is informational and does not replace an official transfer credit evaluation which is completed after an applicant has been accepted to the College of Charleston.
