

## TRANSFER CREDIT GUIDE: COLLEGE OF NURSING

If you are a South Carolina technical college student who plans to transfer to the University's and pursue a major in the College of Nursing, you should consider the following courses as you schedule your technical college classes. The courses listed below will transfer to degree programs within the College of Nursing. This list does not include every technical college course available for transfer to USC. You are not required to take all courses listed prior to transferring. Rather, it is a guide for you and your advisors.\* You should be aware that courses must be passed with a *grade of C or higher* in order to be considered for transfer credit. **You must have a GPA of 2.75 and earned a "C" or higher in each science course attempted to be considered for admission.** Please review admissions requirements at [www.sc.edu/admissions](http://www.sc.edu/admissions).

### Technical College Courses

#### Humanities:

- 1) ENG 101 and 102
