

**TRANSFER CREDIT GUIDE:
MOORE SCHOOL OF BUSINESS**

If you are a South Carolina technical college student who plans to transfer to the University's and pursue a major in the Moore School of Business, you should consider the following courses as you schedule your technical college classes. The courses listed below will transfer to degree programs within the Moore School of Business. This list does not include every technical college course available for transfer to USC. You are not required to take all courses listed prior to transferring. Rather, it is a guide for you and your advisors.* You should be aware that courses must be passed with a *grade of C or higher* in order to be considered for transfer credit. *You must have a GPA of 3.0 and have taken at least one semester of calculus to be considered for admission.* Please review admissions requirements at www.sc.edu/admissions.

**Moore School of Business
